CYBERVIEW COLLABORATES WITH DUALTAP WELCOMING MORE JAPANESE DEVELOPMENT IN CYBERJAYA

CYBERJAYA, 18 March 2019 - Cyberjaya's Tech Hub enabler, Cyberview Sdn Bhd and Dualtap announced a collaboration in effort towards achieving the aspiration of welcoming more foreign enabled into the smart city earlier today. Dualtap Co Ltd, is a Japanese based company primarily focused on real estate activities involving planning, development and sales.

The collaboration was formalised via a Memorandum of Understanding (MOU), which was signed by Takahiro Usui, Chief Executive Officer of Dualtap Co Ltd and Mohd Najib Ibrahim, Managing Director of Cyberview Sdn Bhd. Witnessing the exchange of the documents were Yoko Misao, General Manager of International Business from Dualtap Co Ltd and Roni Shah Mustapha, Division Head of Business, Communication and Marketing Department from Cyberview.

The two organizations expressed their intention to cooperate within the scope of their mandates and sphere of competences to work towards further developing Cyberjaya welcoming more Japanese establishments. Cyberview, the leader in the development of a global technology hub supports and drives the nation's economic prosperity by providing the ecosystem in creating a preferred investment location for foreign collaborations.

This will not only spur the creation of high technology oriented jobs in Cyberjaya, but it is also an opportunity for Cyberjaya to position itself as the preferred global investment hub for technology companies.

###

About Cyberview Sdn Bhd

Cyberview has been at the forefront of Malaysia's development as a technological hub since its inception in 1996. Starting out as the developer of Cyberjaya, it has grown from strength to strength, until maturing into its current role as an enabler of global tech hubs.
